Dear Mr. Garrison

My husband and I wish to inform you that a great desire is expressed by friends in Oxford & Cambridge to see you and that they are afraid you may not be aware that the Oxford & Cambridge

term ends in about
ten days or a fortnight
it would be of very
little use for you to
visit. The festivities
after the vacations have
begun as they would
be nearly empty -
and besides there are
people there during
the term who desire
to see you and do
you honour. Will

You therefore kindly consider whether you can arrange your plans so as to visit the Universities before going elsewhere. We have many friends in both places who have written to us about you.

Believe me
Yours very truly
J. E. Butler
